

HUYNH YEN CHI

Intern Front-end Developer

ABOUT ME

I am willing to **continuously learn** and **give my best in all work-related tasks** not only to strengthen my Front-end skills but also to contribute to the overall development of the company.

ACTIVITIES

Personal Project: Website Portfolio | Sep 2024

- I used pure HTML, CSS, and JavaScript in this project to understand how different code segments work. I integrated the EmailJS API for direct email sending in the Contact section and made the site responsive across various screen sizes.
- Credential: [Please click here](#)

LeadUp Vietnam: The Pit Stop | 10 - 13 Aug 2021

- Is Ambassador of LeadUp Vietnam: The Pit Stop Summer Camp organized by AIESEC.
- Credential: [Please click here](#)
